Dear Parents,

The 6th grade students from Conway School will have the opportunity to spend three days on Orcas Island at our Outdoor School on May 17, 18 and 19. We will be leaving the school at 9:00 a.m. on Wednesday, May 17. Students will return to school at approximately 2:30 p.m. on Friday, May 19.

Camp Orkila is a residential school program, studying natural and social sciences along with environmental conservation in the place where they are best taught, the out-of-doors. Our studies are varied and challenging. Camp Orkila is located near Eastsound on Orcas Island. The facilities provided at this site are of a high standard, ensuring that the students will have a comfortable stay.

Attached is a permission form that should be filled out and returned to school. The student fee this year is \$110.00 (parent chaperones will pay \$140.00). We have set up a payment schedule for your convenience. Should this represent a hardship for any student please check the appropriate box on the form requesting scholarship assistance. All parent chaperones must pay their full cost.

An Outdoor School Handbook will be sent home within a week of our departure. If you have any questions about this field trip, don't hesitate to contact us.

Sincerely,

Nancy Riches
